## DEED OF GIFT APPLICATION

\_\_\_\_\_ - \_\_\_\_\_ - DG

(project number assigned by planning staff)

**All applications must be emailed or shared with [planning@cityofdestin.com](mailto:planning@cityofdestin.com).**

The following is a brief explanation of the review process and what you should expect during the course of the review of your Deed of Gift application. **The Deed of Gift is allowed by LDC Article 7.08.08.C. and is applicable under the following conditions:**

1. Created lots must comply with the minimum square footage requirement of the zoning district in which it is located in.
2. If structures exist on the subject property, the lot split may not cause the existing structures to become nonconforming.
3. This will be a “one-time” lot split. Any subsequent division shall not be exempted from the Land Development Code provisions.
4. A deed of gift for any one parcel of land within a 12-month period must be given without valuable consideration to any member of the donor's immediate family, and must be approved by the City Council within 120 days of execution of the deed or other instrument of conveyance.

A pre-application meeting is required prior to the submittal of this application. If you have not had a pre-application meeting prior to the submitting your application it may be found incomplete. Contact the Planning Division to schedule a pre-application meeting at (850) 654-1119..

If your submittal package is found incomplete, then a letter indicating such, with the deficiencies listed will be forwarded to you. If your submittal package is found complete, City staff and the City Land Use Attorney will review the submitted documents and a letter detailing the City's comments, if any, will be forwarded to you for your review.

Once the City staff has given preliminary approval for the Deed of Gift application, staff will schedule the application on the next available City Council meeting. If City Council approves the application, the Deed and corresponding boundary survey showing the new configuration of the lots will need to be executed and then recorded with the Clerk of the Circuit Court of Okaloosa County with the deed. **An original copy of the Deed and Survey that has been recorded with the Clerk of the Circuit Court of Okaloosa County shall be submitted back to the Planning Division for City records.**
