APPLICATION AND HEARING INFORMATION

Large-Scale Comprehensive Plan Amendment

A. Does Your Property Meet the Criteria for this Application?

As required by Chapter 163.3187 of the Florida Statutes, certain criteria must be met in order to request a Large-Scale Comprehensive Plan Amendment. The subject property of the proposed amendment:

1. Must involve any land use in excess of ten (10) acres;
2. If a residential use is involved, the property must have a density of greater than ten (ten) units per acre; and
3. May only be amended in such a way as to preserve the internal consistency of the plan.

If your application does not meet the above-mentioned requirements (for example, the subject site must be in excess of 10 acres), you should apply for a Small-Scale Comprehensive Plan Amendment. A member of the Community Development Department staff can assist you with this determination.

Furthermore, no text change of the comprehensive plan may be requested for a single site within a land use category, rather, then entire category has to be amended.

B. What Information Do I Need to Submit with My Application?

The following items **must** be submitted with your application packet:

1. Must have had scheduled and completed a pre-application meeting with the Community Development Director or Comprehensive Planning Manager prior to submitting your application;
2. A complete Large-Scale Comprehensive Plan Amendment application;
3. Application Fee;
4. A complete and notarized Agent Affidavit (if the applicant is not the owner). Agent Affidavit's must be provided from all owners of the subject property;
5. A signed and sealed survey of the subject property, which includes the legal description and the exact acreage of the proposed amendment (not dated older than 9 months);
6. A copy of the warranty deed, previous year's tax receipt, or property record card for the subject property; and
7. A general location map of the subject property in relation to the City limits.

C. Hearing and Application Submittal Dates

1. The Local Planning Agency meets the third Thursday of each month at 5:30 PM in the City Hall Boardroom, 4200 Indian Bayou Trail, Destin, FL 32541.

2. Application submittal deadlines are the third Thursday of each month, 30 days prior to the desired meeting date. Submittal by this deadline does not guarantee placement on a specific meeting date. Submit applications to the Community Development Department at the City of Destin Annex, 4100 Indian Bayou Trail, Destin FL 32541.

D. Preparing for Your Public Hearing

A public hearing before the Local Planning Agency is required for any proposed amendment to the City's Comprehensive Plan. The Local Planning Agency will forward the proposed amendment to the Destin City Council with a recommendation of approval or denial for a first reading.

Upon reaching the Council, the amendment must be approved in order for it to be transmitted to the Florida Department of Economic Opportunity (DEO). DEO will review the Comprehensive Plan Amendment and may 1) accept the amendment without changes; 2) require changes, or 3) deny approval of the amendment. If the amendment is approved by DEO with or without changes, the City Council must adopt the amendment by ordinance at a second reading. You will be advised of the date and time of the all hearings by mail. If the Council denies the amendment, then you have thirty (30) days to file an appeal with Circuit Court of Okaloosa County.

You must appear at the public hearings or be represented by an authorized agent or attorney in order for action to take place on your application. Any representative you designate must have completed Agent Affidavit form, which is available at the Community Development Department. If the owner or representative fails to appear at the hearing(s), without first providing a written notice to the City, the application will be tabled until the next available hearing date.

It is your responsibility to fully research and know any and all laws that may be applicable and affect the outcome of any decision on your application request. The City assumes no responsibility or liability relating to your failure to research and know all applicable laws including, but not limited to state, federal, and city laws including the city code, land development regulations, and the comprehensive plan. The City recommends that all applicants consider consulting an attorney regarding their application. Furthermore, you are encouraged to review, or copy, the Quasi-Judicial rules and procedures used by the Land Planning Agency prior to the public hearing.

E. Additional Information

Applicants are encouraged to seek a pre-application conference with the Community Development Director to discuss the content and format of the Large-Scale Comprehensive Plan Amendment application. Acceptance of the application for amendment to the Comprehensive Plan should not be construed as staff support for the amendment request. Please contact the Comprehensive Planning Manager at the phone number listed on the front page to schedule an appointment.

Approval of a Large-Scale Comprehensive Plan Amendment does not guarantee and/or entitle the applicant/owner to any type of development permit.
